Why do you need the Tuition Refund Plan?

Your financial obligation to the school is for the full annual tuition as stated in the school's enrollment contract. The school cannot refund tuition or cancel unpaid obligations if a student is forced to withdraw during the academic year.

If your student withdraws, the Tuition Refund Plan will pay benefits (subject to the terms of the policy and the amount insured) to the school, which provides substantial assistance in meeting your financial obligation.

Every year, thousands of students must withdraw from private schools. The following are examples of reasons why:

- Family Move
- Change of Objective
- Injury or Sickness
- Death of Parent or Student
- Disciplinary Dismissal
- Scholastic Difficulties
- Financial Problems
- Mental Health Conditions
- Job Loss

This leaflet explains how to protect your tuition commitment against unforeseen withdrawals or dismissals. The Plan provides substantial insurance protection at a modest cost.

What the Plan covers

Withdrawal or absence for medical reasons

- The Plan will pay 75% of the unused yearly insured fees, provided the student's injury or sickness forces the student to withdraw from school or medical absence lasts for 31 or more consecutive calendar days (including weekends and holidays). Benefits are paid retroactive to the first day of medical absence.
- The Plan will pay 75% of the unused yearly insured fees, provided the student's mental health condition, as referenced in DSM V, forces the student to withdraw from school or medical absence lasts for 31 or more consecutive calendar days (including weekends and holidays). Benefits are paid retroactive to the first day of medical absence.

Withdrawal for other than medical reasons

(Examples include: moves, change of objective, financial hardship and voluntary withdrawals.)

- The Plan will pay 60% of the unused yearly insured fees provided the student has withdrawn from school after attending more than fourteen consecutive calendar days (including weekends and holidays) beginning with the student's first class day of attendance in the academic year.

Dismissal from the school

- The Plan will pay 75% of the unused yearly insured fees provided the student is dismissed from the school after attending more than fourteen consecutive calendar days (including weekends and holidays) beginning with the student's first class day of attendance in the academic year.

Enrollment continuation

- The Plan will pay 100% of the unused yearly insured fees whether or not the student continues in school, upon the death of the student's parent or legal guardian during the period of coverage.

Terms and conditions

- The “academic year” (referred to as “period of coverage” in the policy) upon which benefits are based consists of the actual calendar days in the school year (including weekends, holidays and vacations) beginning with the first day of formal academic instruction (excluding pre-season athletic practice, orientation, registration and graduation days) and ending with the last day of formal academic instruction, including examinations.
- “Withdrawal or absence for medical reasons” means complete, involuntary severance from classes as certified to and regularly treated during the period of coverage by a legally qualified medical practitioner, not related to the student.
- “DSM V” is the American Psychiatric Association’s Diagnostic and Statistical Manual.
- “Withdrawal for other than medical reasons” means complete, voluntary severance from classes for the balance of the academic year.
- “Dismissal” means complete, involuntary severance from classes by the school authorities for scholastic or disciplinary reasons for the balance of the academic year.
- “Unused yearly insured fees” means the portion of the insured fees paid or payable by the insured student/parent for the remaining time in the current school year after the student’s withdrawal or dismissal. (i.e., the prorated tuition insured from date of separation to the end of the academic year.)

Terms and conditions (continued)

- Medical benefit period ends immediately upon student's resumption of classes at any school or upon becoming gainfully employed.
- Under this policy coverage ceases on the last day of formal academic instruction by the school for any reason.
- Withdrawal or dismissal must result in the loss of scholastic credit at the school.
- The maximum aggregate benefit per insured student for all coverages under this policy is 100% pro rata refund.
