

INCLUDED IN THE PRICE FOR CAMBRIDGE 2024:

- **Return transportation to Cambridge from the airport in London.** Please note that this courtesy is only extended to students who register through TCS. Others may be charged approximately \$300 CAD for the return trip. We do not yet know if this courtesy will be given again in 2024. Students are asked to arrive in London, at Heathrow Airport, between 6:00 and 12:00 GMT on the Sunday before the course starts, June 30th, and to leave Cambridge on the Saturday following the final party, July 13th. If they arrive earlier, they can still meet us at the airport, if they wish to do so, and be transported to Cambridge. Cambridge is about two hours northeast of Heathrow. Students will be transported back to their departure airport on the final Saturday. Please note also that if students are staying in the UK, to visit friends etc., they must leave the college by 10:00 am on the final Saturday.
- **Accommodation** in a Cambridge College, bedding and towels are provided. For the past fourteen years, we have been at Downing College. Use of laundry facilities, no charge, although detergent is not provided.
- **Breakfast + Dinner**, in college, every weekday. On weekend trips breakfast only is provided.
- **The Ontario ENG4U English credit course**, taught by a TCS teacher.
- **All transportation, tickets and entrance fees:** e.g. a production at the Globe Theatre, London; a production by the Royal Shakespeare Company at Stratford Upon Avon, Warwick Castle, the Tate Modern Art Gallery; shopping in Knightsbridge, and trips in the Cambridge area. Materials for afternoon activities such as baking, T-shirt decoration, and sports tournaments.

NB Students will need money for the third meal of the day, usually lunch, and for any souvenirs they may wish to purchase. Unfortunately, we have no control over what they spend on souvenirs etc. Some are very careful; some are not!
