TCS's online summer courses are group paced; students move through the course units together interacting through real-time video conferencing, discussion forums and a smartphone app. Considerations are made for different time zones to enable students, no matter where they are in the world, to actively participate in real-time with their teacher and peers. Students taking online courses through TCS experience the same level of care, attention and commitment to student success as our on-campus programming.

DATES & PRICE:

June 28 - July 23, 2021
Course Fee: \$1,395

*Please note that CHV2Oe & GLC2Oe are 0.5 credit courses. It is possible to register for either (for \$795) or both (for \$1395).
