Annual Report of the TCS Foundation

TRINITY
COLLEGE SCHOOL

Since 1865

Chair’s Message

As my final duty as chair of the Trinity College School Foundation, I am pleased to report on the 2023-2024 fiscal year ending June 30, 2024.

Foundation assets increased significantly from \$74,725,366 to \$85,368,814, with generous fundraising results of \$7,861,202, impressive investment income of \$6,939,168 and impactful grants to the School of \$4,156,922. Grants were primarily for scholarships and bursaries but also include support for capital projects and school programs. This generosity and growth reflects the deep commitment of our community to the future of Trinity College School. Kudos to all of the directors of the TCS Foundation for creating a diversified, long-term portfolio with the dual goals of capital preservation and growth. Last year investment returns totaled **9.39%** (2023-2024) and **7.77%** over the last five years. The TCS Foundation is well-positioned to support continued growth via donations to the *Unlock Remarkable Campaign*.

I am pleased to introduce the incoming chair of the TCS Foundation, Kevin Foley '88. Kevin has been a director since 2014 including serving as chair of the Investment Committee for the last six years. Kevin is an exceptionally capable leader and the Foundation is good hands under his leadership.

Finally, I am deeply saddened to acknowledge the death of Derek Smith '72 on July 4, 2024. Derek was a founding director of the TCS Foundation and served as Secretary-Treasurer since 2007. Derek was a kind, loyal and generous person and our thoughts and prayers are with his family.

Remembering Derek Smith '72 (1953-2024), founding director of the TCS Foundation

Fundraising Highlights

883 donors contributed over \$11 million to the TCS Foundation during 2023-2024 consisting of \$7.8 million in received gifts and \$3.4 million in new pledges. This includes 651 alumni gifts, 112 first-time donors, 631 online donations and four gifts of \$1 million+. A total of \$178,000 donated to **highest priority needs** provided the School with impactful flexibility to support various projects. Designated donations primarily focused on endowed financial assistance (\$6.8 million), the upcoming renovation of the W.A. Johnson Classroom Block (\$3 million) and the replacement of heritage windows in Boulden House and Osler Hall (\$170,000).

The Estate of H. Michael Burns '56 topped up the Burns Atlantic Scholarship to a full fee endowed boarding scholarship of \$2 million+

The Class of 1993 Bursary was awarded for the first time in 2023–2024 to a day student in Grade 9

Donations from the TCS Parents' Guild topped \$70,000 including cameras, furniture and woodworking tools

On October 23, 2023 the Taste of Trinity fundraising event returned after a four-year hiatus, raising more than \$75,000 for the upcoming renovation of the W.A. Johnson Classroom Block

Heritage windows in Osler Hall and Boulden House were repaired with donor support in summer 2023

The Hees Ham '91 Bursary was awarded for the first time in 2023-2024 to Kendall T.

Thanks to donors, TCS has one of Canada's most generous financial assistance programs with 25% of the student body receiving more than \$3.5 million annually.

Correction: In the Annual Report of the TCS Foundation for 2022/23, issued in the fall 2023 TCS News, we mistakenly listed Ed & Sally Frackowiak as members of the 1865 Society. They should have been listed as members of the Chair's Society, with the LeVan Family Foundation (a fund held within the Oakville Community Foundation) listed in the 1865 Society. We apologize for any confusion over this error.

W.A. JOHNSON SOCIETY

The W.A. Johnson Society recognizes individuals who have made a confirmed planned gift to TCS, such as a bequest, gift of life insurance, gift annuity or charitable remainder trust.
